Compose a six to eight sentence informative paragraph about yourself.

1st sentence: Introduction

2nd sentence: Main idea

3rd - 5th sentence: supporting details

6th sentence - Conclusion

Thursday, September 15, 2016

Belief Statement

We show who we really are when we think no one is looking. However, Someone is always looking. It is imperative we ALWAYS do what's right, no matter the circumstance.

Belief Statement

I show who I really am when I think no one is looking. However, someone is always looking. It is imperative I **ALWAYS** do what's right, no matter the circumstance.

Belief Statements

There are just four things to do with numbers. I can add numbers. I can subtract numbers. I can multiply numbers. I can divide numbers. Math is not hard.

“Although some people may consider dandelions to be noxious weeds,” Sharon mused, “I think they’re lovely.”
